## Discussion

On November 25, 2002, at 1000 am, D Parsons had a phone conversation with the State (D Kruchek) to discuss obtaining Type 1 Facility RLCR concurrence for trailers T334B and T334D. Although there are still some issues to resolve with the Building 334 RLCR data, D Kruchek gave CDPHE concurrence on the RLCR portion for trailers T334B and T334D. The trailers can either be demolished or sold. Building 334 RLCR issues need to be resolved with CDPHE and concurrence obtained prior to demolition.
